Celebrate 25 Years of Impact and Shape the Future of Pets

North Carolina has the **third-highest healthy pet euthanasia rate in the country**— a heartbreaking statistic that can be changed.

At Humane Solution, we believe the most powerful way to reduce and ultimately end healthy pet euthanasia is through *accessible spay and neuter services*.

Spay/neuter is the most effective long-term solution to pet overpopulation. It's not flashy. It doesn't come with photos of cuddly puppies or cute kittens. But it is the most direct path to ending the suffering caused by too many homeless cats and dogs and too few loving homes. Our mission is simple but vital: prevent suffering *before* it starts. Humane Solution tackles the issue at its root, offering measurable impact and real hope for a more humane future.

A Bold Step Forward in Our 25-Year Journey

While Humane Solution has been working to end pet overpopulation for over 25 years, last year marked a transformative milestone. We took a bold step forward by opening our own surgical facility —**The Solution Spay-Neuter Clinic**— allowing us to dramatically expand our reach and impact.

Open only two days a week, in just under a year, we've performed more than **1,730** spay and neuter surgeries for cats and dogs in our community. This achievement is a powerful testament to what's possible when compassionate care meets strategic action — and we're just getting started. But it takes a village.

Join us, either through a sponsorship or a donation, in creating a future where no animal has to die simply because there wasn't enough room, enough homes, or enough help.

We hope to see you at **Tails & Ties: A FIXED Affair** on September 20th for our 25th anniversary gala! This special evening raises vital funds for spay-neuter services and pet wellness programs. While the cause is serious, the night will be fun, filled with great food, complimentary bar, exciting live and silent auctions, and a few surprises. We hope you'll celebrate with us and make a lasting impact on animal welfare!

All proceeds from this gala go directly to Humane Solution Spay-Neuter Program for medical expenses related to spay-neuter surgeries.

See reverse side for full sponsorship details.
