

PO Box 20712 • Winston Salem NC 27120 • (336) 723-DOGS(3647) • info@humanesolution.org • www.humanesolution.org

Thank you for contacting **Humane Solution** for lower-cost spay/neuter services. We are a nonprofit organization that relies solely on donations and fundraisers to make this **low-cost** spay/neuter program possible. We are grateful to the participating veterinary hospitals that accept our vouchers.

Spay-Neuter vouchers are \$45/CAT and \$60/DOG.

1. **Fill out the Application.** You **must include a check or money order** and income information when mailing in the application. You must include **TOTAL HOUSEHOLD** income amounts.
2. **Mail the completed application and payment to :**
Humane Solution PO Box 20712 Winston-Salem, NC 27120
***After your application and payment is received, a voucher card will be mailed to you.**
If you have not received your voucher after 10 days, please contact us at (336) 723-DOGS(3647).
3. **After you receive your voucher,** make an appointment with the veterinary hospital you selected on your application.
4. **On the day of your appointment,** take the voucher and vaccination records, if applicable. If you are unable to keep your scheduled appointment, please notify the veterinary hospital and reschedule your appointment.

PLEASE NOTE - Vouchers typically **expire after 2 months** (please note the expiration date on your voucher after you receive it). There is an additional 4 month grace period after the expiration date when you can request a re-issue for a \$10 fee or a refund. Please contact us if you need your voucher reissued or mail the voucher back to us with a \$10 check/money order for a reissued voucher. **After 6 months from the issue date your voucher is considered null and void.** Your voucher fee will be considered a donation.

Humane Solution has instructed vets to refuse vouchers if you request declawing of your cat and ear or tail docking of your dog at the time of the spay-neuter surgery.

Please realize that your pet will be undergoing surgery and will be under anesthesia. As with any surgery, there may be risks, depending on your pet's overall health. The vets may ask for additional tests before surgery, and in some cases, require those tests. **Please discuss this with the hospital prior to your appointment and budget accordingly.**

Humane Solution spay-neuter vouchers cover the cost of the surgery, and vets that participate in our program may have individual requirements or charge additional fees over the cost of the voucher that are your responsibility to pay.

Additional charges from the vet may include:

- Additional vaccinations
- Overweight pets
- Females that are in heat or pregnant
- Males whose testicles have not dropped (cryptorchid)
- Postoperative pain medication
- Exam or voucher fees

Thank you for being a responsible pet owner by having your pet spayed/neutered. Together, we can "fix" overpopulation. If you can afford to pay more than the voucher fee, we can "**Spay it Forward**" to help other needy applicants. **Any overage amount is tax-deductible.**

Frequently Asked Questions

How much do the vouchers cost?

The vouchers are \$45 each for cats/kittens; \$60 each for dogs/puppies

How long will it take to get my voucher?

Usually within 7 days. If you do not receive your voucher in 10 days, please contact us at info@humanesolution.org.

Is there an expiration date on the voucher, and if so, how long are the vouchers valid?

Depending on the age of the pet, the vouchers typically expire after 2 months. There is an additional 4 month grace period after the expiration date when you can request a re-issue for a \$10 fee or a refund. After 6 months from the issue date your voucher is considered null and void. Your voucher fee will be considered a donation. We don't want to risk your pet going into heat or getting pregnant.

What is the procedure for getting a voucher reissued?

Return the expired voucher to Humane Solution along with a \$10 reissue fee. If the voucher is not for the same pet, please provide an application with the new pet's information.

Do you ever refund vouchers?

Yes, by request only. You will need to mail in your voucher and email info@humanesolution.org to ask for a refund. If you choose to donate your voucher fee for our "Spay it Forward" campaign, a tax-deductible receipt will be mailed to you.

How old does a pet have to be before it can be "fixed"?

Typically, 4 months has been the recommended age, however, The American Veterinary Medical Association (AVMA) has approved surgery on pets that are at least 8 weeks old and weigh at least 2 pounds. However, not all veterinarians practice pediatric spay/neuter surgery. You will need to check with the vet hospital to determine if they will perform the surgery on a pet under 4 months.

What other services are required for my pet to be spayed/neutered?

A rabies vaccination is required by state law for all animals 12 weeks or older. If your pet does not have a current rabies vaccine, it will need to be done prior to, or at the time of the surgery. **PLEASE NOTE: Each veterinary hospital chooses its own standard for what is required, such as parvo/distemper vaccines or tests for diseases. Those services will be at the pet owner's expense. Please check with the hospital you choose to determine their requirements and budget accordingly.**

How do I apply for a vaccination allowance?

You may request a rabies vaccine allowance via email or writing at the top of your application. We also offer rabies clinics several times a year.

***PLEASE NOTE:** we may not always be able to offer vaccine allowances.
